STUDENT NOTIFICATION

Dear Students,

It has been observed that some among you are not adhering to the direction regarding wearing of uniform in college campus during your normal classes, examination or even during counselling sessions. The matter has been viewed seriously as your non-adherence to uniform code makes it difficult for college administration to identify outsiders.

Now onwards no student will be allowed to enter college campus without uniform for any academic activity which includes attending classes, appearing in examination, attending admission counselling and for availing any other service within the campus.
